

**Co-Presidents' Message:**

Looks like the flowers are up and the snow is just about gone. I guess that means it's time to swap out the snow blower for the lawn tractor, and think about what to wear for our Picnic on the 23rd. We would like to thank the people in the club that provide us with interesting programs, fun social get-togethers, the communications, the accounting and administrative work, and the leadership of the individual activities all of which make this a special organization. Please keep in mind that we need volunteers to help with these chores, and always look forward to new members. So, please lend a hand, and invite others to join in. See you at the Picnic!

**Monthly Meeting  
Thursday May 2, 6:30 pm**

**Speaker: Colby Nunan – the Nunan Lobstering Legacy**

Another year of programs for our monthly Newcomers and Neighbors meetings is about to end. Please join us on May 2 as we hear Colby Nunan tell us about what it's like to hail from a very well established lobstering family in this area. From family heritage, to lobstering and running his Three Seas Fish Store, Colby has MANY fish stories to tell us!

Also, we are about to plan the 2024-2025 programs for our Club. As we did last year, we are asking for your input. Do you have any specific topics, ideas or folks we can contact for next season? If you do, please send an email to Cindy Sayers, Audrey Lakin or Kate Bauer Burke, by May 1, 2024. We will also solicit program ideas at our May meeting.

Finally, if you are interested in serving on the Program Committee (and seeing how the sausage gets made), please send an email to one of us mentioned above and you will have a golden ticket to our next meeting in May!

Thanks,  
The Program Committee  
Cindy, Kate and Audrey
